If you are a non U.S. user of the Site, by visiting the Site and providing us with data, you acknowledge and agree that your Personal Data may be processed for the purposes identified in the Privacy Policy. In addition, your Personal Data may be processed in the country in which it was collected and in other countries, including the United States, where laws regarding processing of Personal Data may be less stringent than the laws in your country. By providing your data, you consent to such transfer.

1. **Types of Data We Collect.** So we are clear in this Privacy Policy, when we use “**Personal Data**”, we mean data that allows someone to identify or contact you, including, for example, your name, address, telephone number, e-mail address, as well as any other non-public information about you that is associated with or linked to any of the foregoing data. “**Anonymous Data**” means data that is not associated with or linked to your Personal Data; Anonymous Data does not, by itself, permit the identification of individual persons. We collect Personal Data and Anonymous Data, as described below.

Personal Information You Provide to Us.

- We may collect Personal Data from you, such as your first and last name, gender, e-mail and mailing addresses, gender, and password when you create an account for our Services (“**Account**”).
- We retain information on your behalf, such as past orders through your Account. When you place an order on the site to pick up in one of our stores, we collect information necessary to process your order. However, all credit card information on the Site or Services is processed by service providers, and we will not have access to or see your credit card information as part of such transaction.
- If you use our Services on your mobile device, including through our Application(s), we may collect your phone number and the unique device id number.
- If you tell us where you are (e.g., by allowing your mobile device to send us your location), we may store and use that information to provide you with location-based information and advertising. If you want to deactivate this feature, you can either reinstall the Application(s) or deactivate GPS on your mobile device.
- Our mobile homepage lets you store preferences like your location, safe search settings, and favorite widgets. We may associate these choices with your ID or the mobile device, and you can edit these preferences at any time on our mobile homepage.
- When connecting to our Services via a service provider that uniquely identifies your mobile device, we may receive this identification and use it to offer extended services and/or functionality.

- Certain Services may require our collection of your phone number. We may associate that phone number to your mobile device identification information.
- If you provide us feedback or contact us via e-mail, we will collect your name and e-mail address, as well as any other content included in the e-mail, in order to send you a reply.
- We may also collect Personal Data, such as at other points in our Site that state that Personal Data is being collected. If you tell us where you are, we may store and use that information to provide you with location-based information.

Information Collected via Technology.

- Information Collected by Our Servers. To make our Site and Services more useful to you, our servers (which may be hosted by a third party service provider) collect information from you, including your browser type, operating system, Internet Protocol (“**IP**”) address (a number that is automatically assigned to your computer when you use the Internet, which may vary from session to session), domain name, and/or a date/time stamp for your visit.
- Log Files. As is true of most websites, we gather certain information automatically and store it in log files. This information includes IP addresses, browser type, Internet service provider (“**ISP**”), referring/exit pages, operating system, date/time stamp, and clickstream data. We use this information to analyze trends, administer the Site, track users’ movements around the Site, gather demographic information about our user base as a whole, and better tailor our Services to our users’ needs. For example, some of the information may be collected so that when you visit the Site or the Services again, it will recognize you and the information could then be used to serve advertisements and other information appropriate to your interests. Except as noted in this Privacy Policy, we do not link this automatically-collected data to Personal Data.
- Cookies. Like many online services, we use cookies to collect information. “**Cookies**” are small pieces of information that a website sends to your computer’s hard drive while you are viewing the website. We may use both session Cookies (which expire once you close your web browser) and persistent Cookies (which stay on your computer until you delete them) to provide you with a more personal and interactive experience on our Site. This

type of information is collected to make the Site more useful to you and to tailor the experience with us to meet your special interests and needs.

- **Google Analytics.** We use Google Analytics to help analyze how users use the Site. Google Analytics uses Cookies to collect information such as how often users visit the Site, what pages they visit, and what other sites they used prior to coming to the Site. We use the information we get from Google Analytics only to improve our Site and Services. Google Analytics collects only the IP address assigned to you on the date you visit the Site, rather than your name or other personally identifying information. We do not combine the information generated through the use of Google Analytics with your Personal Data. Although Google Analytics plants a persistent Cookie on your web browser to identify you as a unique user the next time you visit the Site, the Cookie cannot be used by anyone but Google. Google's ability to use and share information collected by Google Analytics about your visits to the Site is restricted by the Google Analytics Terms of Use and the Google Privacy Policy.
- *Information Collected from Third Party Companies.* We may receive Personal and/or Anonymous Data about you from companies that provide our Services, including LevelUp, the provider of our mobile application. These third party companies may supply us with Personal Data. We may add this information to the information we have already collected from you via our Site and Services.
- *Mobile Services.* We may also collect non-personal information from your mobile device if you have downloaded our Application. This information is generally used to help us deliver the most relevant information to you. Examples of information that may be collected and used include your geographic location, how you use the Application(s), and information about the type of device you use. In addition, in the event our Application(s) crash on your mobile device, we will receive information about your mobile device model software version and device carrier, which allows us to identify and fix bugs and otherwise improve the performance of our Application(s). This information is sent to us as aggregated information and is not traceable to any individual and cannot be used to identify an individual.

1. Use of Your Personal Data.

In general, Personal Data you submit to us is used either to respond to requests that you make, or to aid us in serving you better. We use your Personal Data in the following ways:

- Administer your Account;

- Verify your compliance with your obligations in our terms of use and/or other agreements you may have executed with us; and
- Communicate with you about the Site and the Services.

We may create Anonymous Data records from Personal Data by excluding information (such as your name) that makes the data personally identifiable to you. We use this Anonymous Data to analyze request and usage patterns so that we may enhance the content of our Services and improve Site navigation. We reserve the right to use Anonymous Data for any purpose and disclose Anonymous Data to third parties in our sole discretion.

If another company acquires our company, business, or assets, that company will possess the Personal Data collected by us and will assume the rights and obligations regarding your Personal Data as described in this Privacy Policy.
 - **Social Networking Sites.** Some of our Services may enable you to post content to SNSs (e.g., Facebook or Twitter). If you choose to do this, we will provide information to such SNSs in accordance with your elections. You acknowledge and agree that you are solely responsible for your use of those websites and that it is your responsibility to review the terms of use and privacy policy of the third party provider of such SNSs.  - **Other Disclosures.** Regardless of any choices you make regarding your Personal Data (as described below), Company may disclose Personal Data if it believes in good faith that such disclosure is necessary (a) in connection with any legal investigation; (b) to comply with relevant laws or to respond to subpoenas or warrants served on Company; (c) to protect or defend the rights or property of Company or users of the Site or Services; and/or (d) to investigate or assist in preventing any violation or potential violation of the law, this Privacy Policy, or our terms of use.
1. **Third Party Websites.** Our Site may contain links to third party websites. When you click on a link to any other website or location, you will leave our Site and go to another site and another entity may collect Personal Data or Anonymous Data from you. We have no control over, do not review, and cannot be responsible for, these outside websites or their content. Please be aware that the terms of this Privacy Policy do not apply to these outside websites or content, or to any collection of your Personal Data after you click on links to such outside websites. We encourage you to read the privacy policies of every website you visit. The links to third party websites or locations

are for your convenience and do not signify our endorsement of such third parties or their products, content or websites.

Despite your indicated e-mail preferences, we may send you service related communications, including notices of any updates to our terms of use or Privacy Policy. If you wish to opt out of administrative emails, you must delete your account entirely and cease use of the Service.
 - If you decide at any time that you no longer wish to accept cookies from our Service for any of the purposes described above, then you can instruct your browser, by changing its settings, to stop accepting cookies or to prompt you before accepting a cookie from the websites you visit. the deletion or modification of any such information by the parties to whom we have made those disclosures.
